 Mariciel Teogangco
 Anthony Aldrin Beltran

Project Member

Pablo Q. Acuin

BAC Secretariat:

Mary Grace B. Opon

Project Staff

Cindy M. Perlas
 Marie Ann Sarenas

Highlights:

BIDDER: -

- **INZPECT./ Rolando Laya/ Joward Bendijo/ rolando_laya@inzpect.com/ joward.bendijo@inzpect.com**
- **INDUSTRIAL CONTROLS CORP. / Philp Marvin Joven / Philip L. Quimco/ philipquimco@yahoo.com**
- **MJZ INC./ Jaime Zafra/ mjzindustrial@gmail.com**

Highlights:

- The pre-bid conference was called to order by Engr. Rodnel O. Tamayo at 9:00 am;
- He acknowledged the presence of everyone: BAC members, TWG, prospective bidders and the BAC secretariat;
- It was conducted via zoom;
- BAC Secretariat, Mary Grace Opon, presented the Eligibility Requirements while Mr. Anthony Beltran discussed the Terms of Reference of the above project;
- MJZ Inc. asked if the project will accept similar contract that was completed overseas. He explained that as a start-up company in the Philippines, they still do not have completed projects locally. Instead, they have the competence and experience as they are the project team who did the design, set-up and installation of military grade camera systems abroad;
- The BAC replied that the similar contract required for this project should be from the bidder itself, either sole proprietor, partnership, corporation or joint venture;

- Per Bid data Sheet, project requires that completed contract is similar to the Military Camera system with accessories completed within five years prior to deadline for submission of bids;
- Engr. Puerto, one of the TWG also commented that this is mainly a supply of military camera and the country does not import this kind of technology as this is a Research and Development work. It is advisable if the supplier has Certificate of Local distributorship from the manufacturer of military camera abroad;
- Further, he stated that the specifications of the military camera were lowered and the ABC was increased from P3,500,000.00 to P4,000,000.00. This is a project with the military and if the technology is commercialized, it will be a long term business opportunity for the bidder/s who wish to supply the said equipment;

BAC Secretariat reminded everyone on the following:

- Clarifications of the bidders must be emailed to bac@mirdc.dost.gov.ph not later than June 16,2023;
- Bid Bulletin, if any, will be published not later than June 19,2023;
- Bidders may submit their proposal either physical or electronic thru a password protected file on or before June 26,2023 (9am).
- There being no other matters to be discussed, the bid opening was adjourned at 10:00AM.
